ALKALINE BATTERY CAUTIONS

- Do not use rechargeable batteries.
- Non-rechargeable batteries are not to be recharged.
- Different types of batteries or new and old batteries are not to be mixed.
- Batteries are to be inserted using correct polarity (+ and -).
- Remove exhausted batteries as soon as possible and discard properly.
- Remove all batteries from compartment if toy is not used for a long period.
- The supply terminals are not to be short-circuited.
- Never throw batteries in a fire or attempt to open the outer casing.

Battery Disposal: Dispose of batteries according to the local laws and regulations of your region. Some batteries may be recycled, and may be accepted for disposal at your local recycling center. If you are not able to identify the applicable rules in your area, please check the instructions of the battery manufacturer.

Batteries are harmful if swallowed. Please keep away from children.

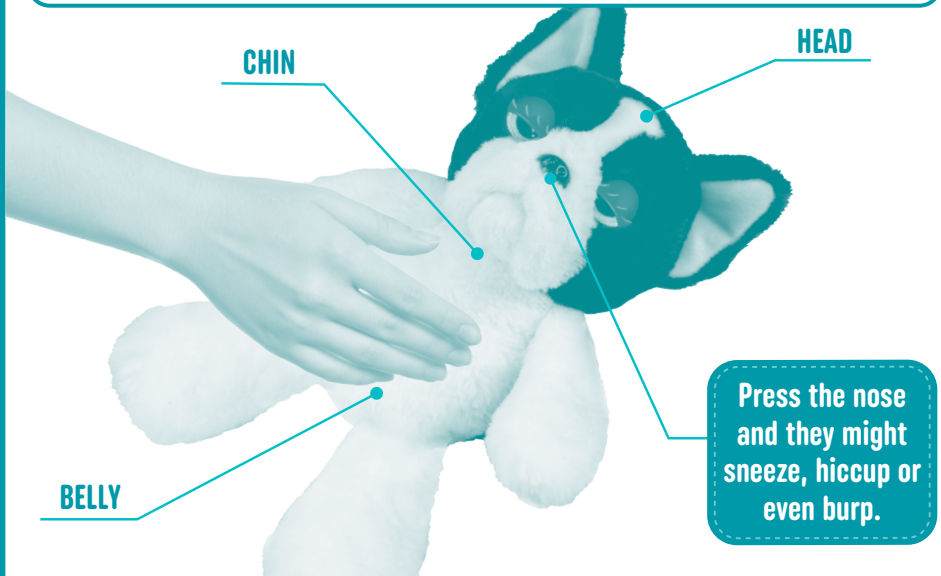

Remove all packaging attachments before giving the toy to a child. Conforms to product safety standards ASTM F963. Keep instructions for future reference. Do not discard. Product and colors may vary from those shown.

SLEEPY PETS LOVE WHEN YOU PET THEM!

If you pet just the right spot, their big dreamy eyes will start to close.

Think you know their favorite spot?

Surprise!...They may have a NEW favorite spot every time they wake up.

IS THERE ANYWHERE THEY WON'T SLEEP?

SLEEPY PETS ARE SO CUTE AND FLOPPY. THERE'S NO FUNNY POSITION THEY WON'T FALL ASLEEP IN!

This device complies with PART 15 of the FCC Rules. Operation is subject to the following two conditions. (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. CAUTION: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna - Increase the separation between the equipment and receiver - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected - Consult the dealer or an experienced radio/TV technician for help.

SKYROCKET TOYS 30-DAY LIMITED WARRANTY

Skyrocket warrants to the original purchaser that this product is free of defects in materials or workmanship for 30 days from the original purchase. This warranty only applies to defects in material and workmanship and is not valid if the product has been misused or not assembled and maintained per instructions. Proof of defect or malfunction must be provided and verified, along with original sales receipt with date. For quickest resolution, defective product should be returned to the original point of purchase for exchange or refund. If you have questions or difficulties, please contact Skyrocket Toys customer service department at support@skyrockettoys.com.
